Charges

Platforms provide a convenient way of holding and reporting on investments in your portfolio.

Please refer to your platform of choice directly for the applicable fees, costs and charges.

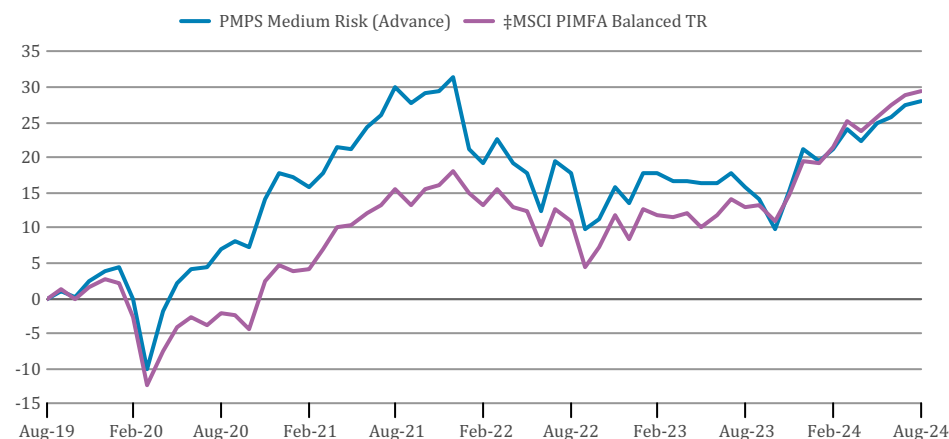

Underlying charges may apply which will vary according to the specific assets within the portfolio (for example internal fund manager charges on funds held).

Performance

Past performance data is not representative of past performance on different platforms. The past performance data detailed opposite relates to the Managed Portfolio Service (MPS) using Morningstar/£MSCI PIMFA information. The past performance stated in this factsheet does not necessarily represent the past performance of the MPS on all platforms. This is because MPS on platforms will vary in portfolio composition due to the differing availability of investments on different platforms.

**The yield reflects historic distributions declared over the past twelve months.

Sustainability Themes

On a biannual basis we assess the product and service alignment of all of the underlying holdings in the portfolio against our eight sustainability themes, the results of this are shown in the pie chart below. Holdings that have a looser thematic alignment but are making their business models more sustainable are included in the 'responsible businesses' category. For more information on our eight sustainability themes please refer to our RIS bi-annual [report](#).

Important information

Brooks Macdonald is responsible for managing the MPS model portfolio on a discretionary basis in accordance with the stated investment objectives and risk profile for the MPS portfolio. The professional adviser is responsible for advising the client as to the selection of an MPS portfolio and for assessing the suitability of the chosen MPS portfolio for the client on an ongoing basis.

Investors should be aware that the price of investments and the income from them can go down as well as up and that neither is guaranteed. Investors may not get back the amount invested. Past performance is not a reliable indicator of future results. Changes in rates of exchange may have an adverse affect on the value, price or income of an investment. Investors should be aware of the additional risks associated with funds investing in smaller companies.

© FinaMetrica Pty Ltd. Risk tolerance scores were mapped to the funds' strategic asset allocations as at 30.06.2024. The mappings are only for use by financial advisers licensed to use FinaMetrica's risk profiling system and do not constitute financial advice. Financial advisers must satisfy themselves that the funds' current asset allocations reflect the risk/return expectations of the funds when mapped. Brooks Macdonald does pay FinaMetrica for the mappings in the table however these mappings are calculated independently by FinaMetrica. The stated 'DT risk level' is the risk level attributed to the model portfolio by a third party, Distribution Technology Limited ("DT") following DT's analysis. The stated 'DT risk level' is valid as at the stated date; however, market fluctuations can mean the level of risk in the portfolio might change over time. Brooks Macdonald has not verified the risk level attributed to the model portfolio by DT and makes no warranty as to its accuracy. Accordingly, Brooks Macdonald will not accept any liability arising from any reliance on the stated DT risk level.
