#### Charges

Platforms provide a convenient way of holding and reporting on investments in your MPS portfolio.

Please refer to your platform of choice directly for the applicable fees, costs and charges.

Underlying charges may apply which will vary according to the specific assets within the MPS portfolio (for example internal fund manager charges on funds held within MPS).

#### Performance

Past performance data is not representative of past performance on different platforms. The past performance data detailed opposite relates to the Managed Portfolio Service (MPS) using Morningstar/£MSCI PIMFA information. The past performance stated in this factsheet does not necessarily represent the past performance of the MPS on all platforms. This is because MPS on platforms will vary in portfolio composition due to the differing availability of investments on different platforms.

## Important information

Brooks Macdonald is responsible for managing the MPS model portfolio on a discretionary basis in accordance with the stated investment objectives and risk profile for the MPS portfolio. The professional adviser is responsible for advising the client as to the selection of an MPS portfolio and for assessing the suitability of the chosen MPS portfolio for the client on an ongoing basis.

Investors should be aware that the price of investments and the income from them can go down as well as up and that neither is guaranteed. Investors may not get back the amount invested. Past performance is not a reliable indicator of future results. Changes in rates of exchange may have an adverse affect on the value, price or income of an investment. Investors should be aware of the additional risks associated with funds investing in smaller companies.
